Standing Tall Like The Mountains

Mountains are some of the most stable and enduring features on earth. Mount Everest stands over 29,000 feet tall, and the Rockies stretch across thousands of miles. They don't move easily—and neither does God's righteousness.

Psalm 36:6 says, "Thy righteousness is like the great mountains..."

Just as mountains rise high and remain unshaken, God's righteousness is steady, strong, and unchanging. In a shifting world, we can stand firm—anchored in Him.
